Satellite Academy Program

2004-2005

Since 1987, The Leadership Academy has provided long-term, close-to-home professional growth activities for Missouri school leaders through The Satellite Academy Program. Using the Interstate School Leaders Licensure Consortium (ISLLC) Standards as the program's goals, participants will have a unique professional development opportunity through school improvement, professional growth, collegiality, and personal improvement.

ISLLC Standards

A school leader is an educational leader who promotes the success of all students by:

- facilitating the development, articulation, implementation, and stewardship of a vision of learning that is shared and supported by the school community.
- advocating, nurturing, and sustaining a school culture and instructional program conducive to student learning and staff professional growth.
- ensuring management of the organization, operations, and resources for a safe, efficient, and effective learning environment.
- collaborating with families and community members, responding to diverse community interests and needs, and mobilizing community resources.
- acting with integrity, fairness, and in an ethical manner.
- understanding, responding to, and influencing the larger political, social, economic, legal, and cultural context.

Upon completion of the yearlong program, participants will have completed the ISLLC School Leadership Self Inventory and have the tools to develop a personal improvement plan based on assessment data, profiles, and feedback. Also, participants will acquire basic knowledge regarding change processes, data collection and analysis, and professional development for teaching and learning.

Who

All practicing or aspiring administrators in public, private, and parochial schools are eligible for the Satellite Academy Program. Facilitator teams provide leadership for the regional groups. The Regional Facilitator Teams highly recommend that participants have a strong commitment to their own growth and development.

Where

Regional Satellite Academy activities will be coordinated by facilitators through the state university and Regional Professional Development Center in your area. Participants will determine dates and schedules for their respective group meetings.

Why

The focus of this sustained program is to develop school leaders who can positively and significantly impact student performance through effective school improvement practices. In Missouri and throughout the nation, school improvement mandates and standards are redefining the school administrator's role. The pressure is on to provide a quality education for each child. In these dynamic times, Missouri administrators must have continuous opportunities to develop and hone skills for instructional leadership.

When

Participants will be involved in at least 18 days of organized activities from July through June each year. Every satellite group will determine dates for regional activities. The following is a tentative schedule.

July 15-17, 2004----- Kickoff Statewide Meeting
at Holiday Inn, Lake
Ozark.

September 2004 – May 2005---- Regional meetings

October 14-17, 2004----- Outdoor Leadership
Experience at Lake Ozark
State Park.

January 23-25, 2005 ----- Winter Statewide Meeting
at Holiday Inn, Lake
Ozark.

June 16-18, 2005 ----- Graduation Statewide
Meeting at Holiday Inn,
Lake Ozark.

How to enroll

Complete the application and mail or fax it by June 14, 2004
to: The Leadership Academy
P.O. Box 480
Jefferson City, MO 65102
FAX – (573) 522-6526

Cost

A \$600 enrollment fee covers all activities and materials, including assessments and feedback. Transportation, meals, and lodging for the meetings are not included. The fee may be paid in two installments. Contact the Leadership Academy at (573) 751-1370 or your regional facilitators for scholarship information.

Persons participating in the St. Louis area Satellite Academy should anticipate differences in cost, time commitment, and eligibility requirements. For more information, contact Bev Nance, St. Louis Principals' Academy (314) 968-5410.

Applicant/School Information

Job title _____ Years in current position _____

Years in teaching _____ Years in administration _____

My school is: ☐ Public ☐ Private ☐ Parochial
☐ Small ☐ Medium ☐ Large

Number of each of the following at my school:

_____ Students

_____ Teachers _____ Administration

_____ Specialists _____ Support Staff

Number of Students in the District: _____

My community is: ☐ Rural ☐ Suburban ☐ Urban

I wish to apply for the Satellite Academy Program in the following Regional Professional Development area:

- ☐ Central at Central Missouri State University
- ☐ Northwest at Northwest Missouri State University
- ☐ Southeast at Southeast Missouri State University
- ☐ Southwest at Southwest Missouri State University
- ☐ Northeast at Truman State University
- ☐ Heart of Missouri at UMC
- ☐ Kansas City at University of Missouri-Kansas City
- ☐ South Central at University of Missouri-Rolla
- ☐ St. Louis at Cooperating School District/UMSL

I wish to pay the \$600 enrollment fee by:

☐ P. O. # _____ ☐ Enclosed *or* ☐ to follow by 7/5/04
☐ Check ☐ Enclosed *or* ☐ to follow by 7/5/04

☐ I wish to pay two installments, due on July 15, 2004, and January 15, 2005. I understand The Leadership Academy will bill for amounts due if my payments are not received by these dates.

Signature _____

Dear School Leaders:

The Department of Elementary and Secondary Education is again pleased to offer the Satellite Academy Program for Missouri school leaders who wish to improve their knowledge and skills in the improvement of teaching and learning.

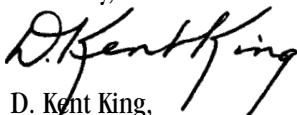

Since the program was introduced in St. Louis 19 years ago, more than 2,250 school leaders from across the state have participated in the Academy's intensive, yearlong pursuit of excellence.

Statewide leadership teams in nine regions bring together school leaders at all levels, including K-12 practitioners, university faculty, Department of Elementary and Secondary Education staff, and Regional Professional Development Center directors. Through activities, at both the local and state levels, participants improve their leadership abilities and form collegial networks that encourage ongoing professional growth.

The program goals are now the Interstate School Leaders Licensure Consortium Standards. The Satellite Academy will increase the emphasis on leadership for school improvement, planning, and professional development. Throughout the next year, Academy participants will focus on district and building-level data related to local school improvement efforts and comprehensive school improvement planning. A special invitation will be mailed to priority schools to encourage and support participation in this yearlong leadership development program.

We believe the Satellite Academy will positively impact student achievement by inspiring and developing more effective school leadership, and we encourage you to consider how this model program may assist in the professional enrichment of the school leaders in your district.

Sincerely,

D. Kent King,
Commissioner of Education

Sending in this Registration Form will automatically register you for the Satellite Academy Kickoff meeting, as well as the Satellite Academy Program. You **must** attend the Kickoff Meeting in order to be in the Satellite Academy Program. The Kickoff Meeting will be your first activity as a Satellite Academy participant. There is an additional charge of \$60 to cover resource material and meals for this meeting.
